FIX NATIONAL DATES

Major League Schedules Are Nicely Dovetailed.

Changes in Code, None of Which Has Any Actual Bearing on the tled Game Itself-Postponed Games.

day and aside of that there was nothing of moment at the meeting of either ball park. ing of moment at the meeting of either the National or the American League. A couple of changes in the playing rules— outlaws would invade this city there were priced horses finishing in front.

schedule begins on April 14 and takes in Union League intends to come here to ing around her company, got to Tony W. the first week in October. The two do some real business. schedules dovetail nicely.

The National League delegates approved the action of the national commission and American League declaring against the invasion of territory. The constitution was brought to date by the adoption of an amendment which provides that each club shall play 22 games with every other club. In short, the constitution now requires a 154-game schedule. Another amendment touched on postponed games and provides that the home club may play off a tie or postponed game during the same series or any subsequent series

discolor a new ball by rubbing it on the will oppose the best teams in this secground. He will have to use his glove or nothing. A sacrifice hit was enlarged to take in a caught fly on which a base-

At the morning session the national committee took up the case of Pitcher Harris. Harris was sold by the Boston Americans to Columbus less than the Boston lege's second team. Americans to Columbus last season, but McGuire made up his mind he needed Harris and so called him back. The Columbus club protested, but the commission decided that Harris should go back to Boston, Boston to pay \$1,500 to Columbus. Apropos of Boston affairs, the Boston Nationals have released Sam Brown. the catcher to Toronto

Three rules adopted by the National Commission last November were formally accepted.

WHY CLEVELAND QUIT.

Lost \$47,500 in Trying to Make Rac ing Go Without Betting.

Cleveland, Ohio, Feb. 27 .- H. K. Dever eaux, the leading harness horseman Cleveland, gives some pertinent facts re ative to the abandonment of the Cleve land Grand Circuit meeting for 1908, and adds: "We will probably have the trace to train on and use for our matinees th better part of this summer at least, by the last meeting has been held over this bit of ground, and its days a numbered.

"In 1903," said Mr. Devereaux, "the bet ting law was first enforced, and the meet ing that year lost about \$8,000. In 190 no meeting was attempted. In 1905 on was arranged for, but abandoned at the eleventh hour, with a loss of about \$4,000 The meeting was declared off, not win been carried to a finish, the loss would have been no greater, if as great. Als two of the directors offered to make any loss good. The declaring off of the meeting was for the purpose of rousin the public and obtaining their sympath; and it was with the unanimous vote horsemen present. In 1906 an vertised betless meeting was tried, with loss of over \$2,500. In 1907 the experiment was tried again, with a loss of about the same amount. In five years the Cleveland Driving Park Company has gone in the hole \$47,500, this including \$21,000 raised by subscription. In that time the plant has deteriorated fro lack of funds, and \$15,600 would not pe

it in more than passable condition. "We have made a fair fight, but th odds are too great to warrant attemp ing a continuation of it. Over \$19,000 year deficit is not a thing to appeal anybody. This association, the the Grand Circuit, has stood for thirt six years for all that is good, and as pattern for others, but the enforcing an obsolete and unpopular law (so far a trotting meetings are concerned) has killed This has been a case almost of pers cution, and certainly unfair and unwa

Dartmouth Wants Tennis.

Hanover, N. H., Feb. 27 .- The under-

graduates at Dartmouth have started a

novement to have the athletic committee

of the college take charge of tennis this

year and manage the schedule for that

team as it does for the other athletic organizations. In the past the team has

had to attend to the drawing of its sched-

ule and has had to pay its own expenses. It will now probably be put on the same basis as the other teams, as the athletic

ouncil looks favorably upon the idea.
